MAGNET FOR DESIGN AWARDS: THE LUXURY KITCHEN FOLD WINS INT. BIG SEE AWARD

Since its market launch and world premiere in Milan 2019, the FOLD luxury kitchen has already received several international awards, from the Red Dot Award to the German Design Award to the Iconic Award.

The jury of the renowned BIGSEE Award is currently recognizing the striking foldable look and the technical finesse of the sculptural luxury kitchen and has named FOLD by designer Martin Steininger as the winner in the „PRODUCT DESIGN“ category.

„Hard to believe! We are very proud to be at the top of the stairs in the midst of this multitude of excellent proposals!“ Says mastermind Martin Steininger. We have embarked on a new and unusual path in terms of design, materials and also in terms of technical specifications. The work development and the whole design process was intense and took a lot of us. As you can see it was worth it. With this award we see once again confirmed our clear understanding of form and aesthetics “.

M.POD NOMINATED FOR ARCHIPRODUCTS DESIGN AWARD 2020

The innovative high-tech M.POD touch pad for the kitchen, combines design, practicality and intelligent technology.

The 32-inch touchpad is a high-tech work surface and at the same time offers intelligent functions that are centrally and intuitively controlled from the kitchen. The safety glass is shatterproof and scratchproof. The touchpad can be integrated into any worktop from the STEININGER collection - even afterwards! The M.POD also cuts a good figure as a stand-alone!

Such a good figure that the M.POD was nominated for the International Archiproducts Design Award. We are happy and excited.

All information and images can be found in the press release.

ABOUT STEININGER

STEININGER stands for purist, exquisite architecture, interiors and kitchens design. Mastermind Martin Steinger heads the headquarter in St. Martin (Upper Austria), with further locations in Linz, Vienna, Hamburg and London. At STEININGERS BESPOKE designs and architectural settings are in demand internationally: they inspire with striking, clear lines, timelessness and sophisticated details.

Martin Steinger is an esthete and a minimalist. Exceptional design is a decisive added value for him, as things has to work. He subordinates all designs to this creed. It defines space, shape and use accordingly. Urban concrete and rare metal alloys complete the range of materials. A new type of spatial, sensory and tactile experience arises.

BESPOKE DESIGN - THE STEININGER COLLECTION

STEININGER designs are a statement of sustainable luxury, style and comfort. This claim continues in the unique kitchen and furniture. Every design from the STEININGER Collection is made to measure. State-of-the-art CAD programs and cutting edge manufacturing technologies in the Austria production, ensure the highest quality. The artisan take care the fine details at the end. STEININGER is a manufacturer and feels committed to the craft.
